Subject: Budget Requested By Aldermen During Budget Committee Meeting

Good Morning Donna,

During the Special Hearing on Thursday Evening we provided information on the Resource Center for the Supplemental Funding Appropriation for \$300,000. I provided information on the proposed cost of operations of the Resource Center. I was asked to provide a budget for more clarification by the Budget Committee. Please see the budget with justification below. Thank you.

The purpose of the Resource Center is to provide a site for individuals to connect to Community Health Workers and Partnering Agency Service Providers to address needs related to housing, mental health, substance use disorder, access to care, and to provide the support needed for job searches and getting the essential documents needed to obtain these services. The DPHCS Staff will be onsite M-F during the day with additional hired staff and volunteers to operate the resource center, including have operational hours over the weekend. In addition to connecting individuals to services, the Resource Center will be a site for those in the community who are unsheltered to seek respite indoors. This will help to decrease the number of individuals that otherwise would be outside downtown during the day and provide a safe place indoors all year round.

OPERATING EXPENSES	ESTIMATED	JUSTIFICATION
Staff Wages	143,520.00	Staffing to support the DPHCS Staff during the week and weekend coverage. 9-5 pm operation hours, seven days/week. The hourly wage is between \$21-\$25/hr.
Benefits	57,408.00	Estimated cost of possible benefits needed by the staff at 40% cost rate.
Overtime	2,400.00	To cover possible over-time expenses (weather or emergency staffing needed).
Partner Support	32,000.00	To support unanticipated cost incurred by our partner service agencies to support the community-based services needed.
Insurance	0.00	Did not budget for this, but do anticipate there could be an insurance cost associated with leasing the site.
Maintenance/repairs	3,000.00	Included this to cover minimal damage repairs that may occur.
Rent/Lease	90,000.00	This is what has been anticipated as a possible lease cost. It could be higher.
Supplies	13,000.00	Supplies will be needed initially for set up. Hopefully the Donation Fund will be set up to receive financial donations to purchase furnishings, office equipment, etc.
Utilities	6,000.00	An expected expense. Not sure what the actual would be.
Total Expenses	347,238.00	(rounded up to 350,000)

The \$300,000 requested for the Resource Center Expendable Trust would be sufficient to get the Resource Center opened. There are other funding sources to pursue for sustainability, in addition to creating a line item in the CS Budget in this amount for FY 2027. Please feel free to contact me if there are any additional clarifications needed.
