CONSERVATION COMMISSION
November 12, 2025
4 Rowley Street

The site walk was called to order at 8:00 AM by Chair Dutzy

Roll call by: Commissioner Dutzy

Those Present: Commissioners: Sherry Dutzy, Dale Carruth, Will Darby, Amanda Griffith, Carol Sarno, Richard Widhu

Others Present: Mr. and Mrs. St. Hilaire, Homeowners, Levent Akinci, Nashua Community Development

THE FOLLOWING SITE WALK MUST ONLY DISCUSS THE PROPERTY LISTED. A BRIEF DESCRIPTION AND INFORMATIONAL WALK WILL BE CONDUCTED BY THE OWNER AND/OR HIS REPRESENTATIVE. DISCUSSION CONCERNING BUFFER IMPACTS AND ANY RELATED TOPICS ON THE SUBJECT PROPERTY WILL BE COVERED. THE WALK SHOULD THEN ADJOURN WITH NO FURTHER DISCUSSION OF CONSERVATION BUSINESS. ALL DECISIONS WILL BE MADE AT AN UPCOMING MEETING AND POSTED ON THE AGENDA ACCORDINGLY. SITE WALK NOTES /MINUTES WILL BE APPROVED AT THAT TIME. DRAFT MINUTES NEED TO BE MADE AVAILABLE WITHIN ONE WEEK OF THE WALK.

The home at 4 Rowley St. resides entirely in the 75' wetland buffer of the Nashua River. It was built in 1969 when wetland buffer ordinances were not in place. The St. Hilaire's are seeking permission to install a 20' x 10' shed (a larger replacement for one that deteriorated) in the front yard on the westerly side of the house and place a sauna on the cement slab near the river where the previous shed stood. At present, a small boat is stored on the westerly side of the home in the front yard.

Commissioners walked the property and focused on the requested location of the shed and drainage issues from street runoff. After much discussion it was agreed that the shed would be located on the easterly side of the home where the land is now disturbed by an unpaved driveway. Commissioners agreed to the placement of the sauna with the stipulation that 3 rows of native shrubs be planted on the slope south of where the shed will be placed, and that the small boat is moved from the westerly side to the east side of the property. This will slow down the runoff that comes from Rowley Street towards the river, and decrease the risk of boat fluids entering the river. The St. Hilaire's were agreeable with the plan and the meeting adjourned at 8:36 AM.
