Dear Members of the Board of Aldermen:

The addition of a consistent police detail Downtown has already made a noticeable impact. Business owners I've spoken with say the visible presence has created a more comfortable atmosphere for their staff and customers, especially during daytime hours. We've also seen fewer people sleeping on sidewalks throughout the day, which keeps pedestrian areas open and welcoming. While the detail is a strong first step, it doesn't replace the need for a dedicated clean team to address biohazardous waste, similar to Manchester's model, nor does it resolve the long-standing need for a public restroom. These three pieces together, a reliable safety presence, a specialized cleanup team, and access to proper facilities, are essential to sustaining a safe, healthy, and inviting Downtown for everyone.

Thank you.
