

COMMITTEE ON HUMAN RESOURCES/INSURANCE

June 3, 2025 at 5:15 PM

Chairman E. Sapienza called the meeting to order.

The Clerk called the roll.

Present: Aldermen E. Sapienza, Kantor, Vincent, T. Sapienza, Burkush

Messrs.: F. Morrison

1. HR Reports submitted by Lisa Drabik, Human Resources Director:
 - Position Summary Report
 - Vacancy Requisition Requests and Approvals
 - Summary of Arbitrations/Grievances
 - Sapphire SmartShopper Report*(Note: Provided for informational purposes only; no action is required.)*
2. Communication from Faye Morrison, Parking Manager, requesting an addition to the division's complement of one (1) newly created Parking Operations Superintendent position, grade 21, as well as adoption of the new classification associated with the position.

Alderman Vincent asked what is the financial implication for this position. Is there a financial implication or is this covered?

Faye Morrison, Parking Manager, responded this is a funded position.

Alderman Vincent asked funded as in it's a position that is already...we are not adding anything new to the budget.

Ms. Morrison answered no.

Alderman T. Sapienza stated when we say it is funded, are we not funding some other positions.

Ms. Morrison replied no we are not doing that anymore.

Alderman T. Sapienza stated the reason I am asking is because the Parking Department has been very good to me. I have a very crowded ward with an awful lot of parking issues and I have always gotten great responses from the Parking Division and I hope that continues.

Ms. Morrison responded I don't see any reason why it wouldn't. All you have to do is reach out to me and I would be happy to talk to you about whatever issues are on your plate as I have with Alderman Vincent. He has been in a couple of times and we have talked and he is going to take me for a ride in his hood so I can see exactly what the issues are. I would be happy to do that for anyone who is interested. I will make myself available. I am busy but he can tell you, I will find time for you because it is important.

Chairman E. Sapienza asked how does this affect the line staff if at all.

Ms. Morrison replied what do you mean.

Chairman E. Sapienza asked does this change the Parking Enforcement Officers role at all.

Ms. Morrison answered no not at all.

*On motion of **Alderman Vincent**, duly seconded by **Alderman Burkush**, it was voted to approve.*

*There being no further business, on motion of **Alderman Vincent**, duly seconded by **Alderman Kantor**, it was voted to adjourn.*
